

Joining the Saddleback AP European History Wikispace 2007-2008

1. Create an email address

- Go to www.yahoo.com
- In the upper right hand portion of the page, there is a link: “Free Mail: Sign Up” Click it.

Or, for step #2, you can use an email address you already have.

2. Join Wikispaces

- Go to www.wikispaces.com
- In the upper right hand portion of the page, there is a dialog window. Fill in the blanks of #1, #2, and #3. Ignore #4, as you are not creating a wikispace, but merely creating an ID.

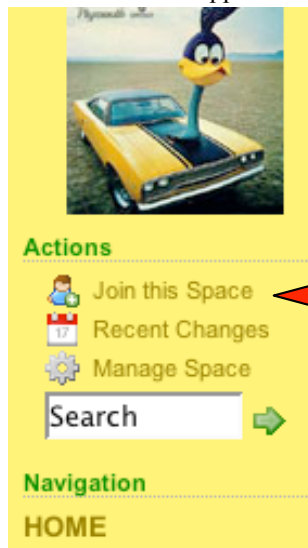

A screenshot of the Wikispaces 'Join Now!' form. The form has four steps: 1. Pick a username, 2. Set your password, 3. Enter your email address, and 4. Space name (optional). Below the form, there is a link for 'Terms of Use' and a 'Join' button.

▪ Username:

- In the #1 blank, type your: last name_first initial.
 - For example, Gregory_S.
- If that is already taken, then just keep adding letters of your first name, one at a time, until it comes up as available.
- You can only test availability if you also type in a password.

3. Join the Saddleback AP European History wikispace

- Go to www.roadrunner-apeh.wikispaces.com
- In the upper left hand portion of the page, there is a link: “Join this space” Click it.

- In the “sign in” dialog box type your username.

This class wikispace is “protected”. This means anyone can view the pages, but only members can edit them.
